The Governors

6. The governing body approves the annual budget and the associated policies, eg charging policy, bad debt and redundant equipment policy.
7. The governing body is responsible for the overall direction of the school; it determines the school's spending priorities and evaluates the effectiveness of spending decisions.

The Headteacher

8. The governors delegate responsibility for the day-to-day management of the school to the headteacher.
9. The headteacher ensures compliance with the financial regulations in Norfolk's Scheme for Financing Schools.
10. The headteacher ensures that sound systems of internal control are in place.
11. The headteacher compiles draft budgets.
12. The headteacher monitors the budget monthly and supplies the finance committee with monitoring information.
The information for the finance committee takes the form of Norfolk's budget proforma, includes committed expenditure and is accompanied by the headteacher's written commentary.

The Staff

13. Staff comply with financial regulations in Norfolk's Scheme for Financing Schools and any school specific requirements.
14. Staff are responsible for any budget whose management is delegated to them.

The Finance Committee

15. Membership is determined by the governing body and reviewed annually in the autumn term.

16. The finance committee is responsible for:

The minutes of all committees are reported to the governing body.

2. There is a clear, identifiable link between the school's annual budget and the school development plan.

3. For each of the key issues in the school development plan, costs and other inputs are identified and budgets prepared.
4. The school development plan is reviewed in the spring term to ensure that educational priorities are stated for the next three years and shows how the use of resources is linked to achieving the goals.
5. The school budget is revised after the review of the development plan and resources identified within the budget to deliver the plan's priorities.
6. The school budget is maintained for the current financial year and at least one further year.
7. The budget is based on realistic estimates of all income and expenditure so that planned expenditure does not differ materially from the agreed budget.
8. The budget and cash flow forecast are profiled in accordance with likely spending patterns.
9. In the event of a budget surplus this is earmarked for a future specified use.
10. A record is maintained of all ongoing commitments with explanations of any significant year-on-year changes.
11. All new initiatives are appraised by the finance committee in relation to their costs, benefits and sustainability.

- The approved budget revision is sent to the LA by 28 February.
