Dear Parents,

### **Re: School Class Dojo – Free app for parents.**

After discussions with PTA we are going to trial Class Dojo in the Summer Term. Class Dojo is an easy way to communicate with parents, share photos within our school community and update parents on the wonderful learning taking place in our school. We hope that this will reduce texts and emails and encourage a stronger link between parents and staff. Parents will be able to contact staff and be updated of upcoming events and whole school messages. We are very excited about using Class Dojo to benefit our school family.

To set this up we will be adding your child's first name and surname initial and linking them to their class and teachers. Class Dojo will collect and use personal information of the students for educational purposes only. For more information please click the link below:

If you are happy to join our Class Dojo journey just wait to hear from us with a link to connect you and your child's profile. If you DO NOT wish to be involved please contact the office or your class teacher to discuss any concerns.

Many thanks,

Amy Taylor.  
Assistant Head Teacher.
